

## ALMACO PARTNERSHIP WITH HUANAN

- ALMACO's partnership with Huanan Building Materials (Shenzhen) Co. Ltd. captures the commitment to deliver quality customized and cost-efficient products.

- Huanan is the leading Chinese manufacturer of composite rockwool panels, fireproof doors, bathroom units and prefabricated cabin systems.

- Huanan opened a new factory in 2008 that increased significantly the fabrication of these products:

**Panels (ceiling and wall) 1,200,000 m2/year**

**Doors 70,000 units /year**

**Wet Units 12,000 units/year**

- Huanan counts with certifications of type-approval for marine product certified by CCS, ABSm BV, NK, GL, LR, DNV and EC

HuaNan components were featured in the Bibby Renaissance 2009 cabin newbuilding project

## CABINS & WET UNITS

- ALMACO offers modular cabins and bathrooms which can be delivered as prefabricated units or as kits

- Modular units have several advantages:

- reduced installation time
- better installation conditions
- economies of scale applied to manufacture
- complete system supply and installation from the same source

-ALMACO provides custom-made solutions for cabin areas with complete services from design and engineering to installation and commissioning

- All products ALMACO uses in cabins and wet units are type approved by the respective authorities
